R E; Estate of CACHIN ANDERSON.

I was never told of .MR. Andersons mental health issues before working my shift the day of June 28, 2017. I was a resource officer working tour 1. I would fill in for officers on there RDO , I would not work a post more than 1 or 2 days.

As per DOCC policy Sgt Wood was notified of MR Anderson's condition .MR Anderson was checked by Sgt Wood and the Nurse. I do not have the authority to move MR. Anderson. After Sgt Wood left SHU I continued to do rounds every 15min. At which time MR. Anderson was on his bunk alive and breathing including the 6:30am round. 15 Min later on the 6:42am round I found MR. Anderson hanging in his cell at which time I called a code Blue. As per DOCC policy I cannot enter a cell without a second officer.

I as of 9/2018 I left NYS Corrections and I am no longer a Corrections Officer.
